What is Phi Alpha Theta?

“We are a professional society whose mission is to promote the study of history through the encouragement of research, good teaching, publication and the exchange of learning and ideas among historians. We seek to bring students, teachers and writers of history together for intellectual and social exchanges, which promote and assist historical research and publication by our members in a variety of ways” www.phialphatheta.org

What can it do for you?

The Delta Xi Chapter of this national honors society is dedicated to helping students interested in history gain insights and opportunities to present and share research as well as a comfortable social atmosphere. Activities include the annual Fright Night gathering, a graduate school panel, and more than you wanted to know about Monty Python’s Holy Grail. There is also the great privilege to present a paper at the Phi Alpha Theta Regional Conference – an event that Delta Xi members have dominated for the last few years. Not only is Phi Alpha Theta fun and educational, but it looks good on a resume and can lead to more scholastic achievements.
